### PRAISE REPORT

#### Prayer Request from Kiruba R A on March 12, 2007:

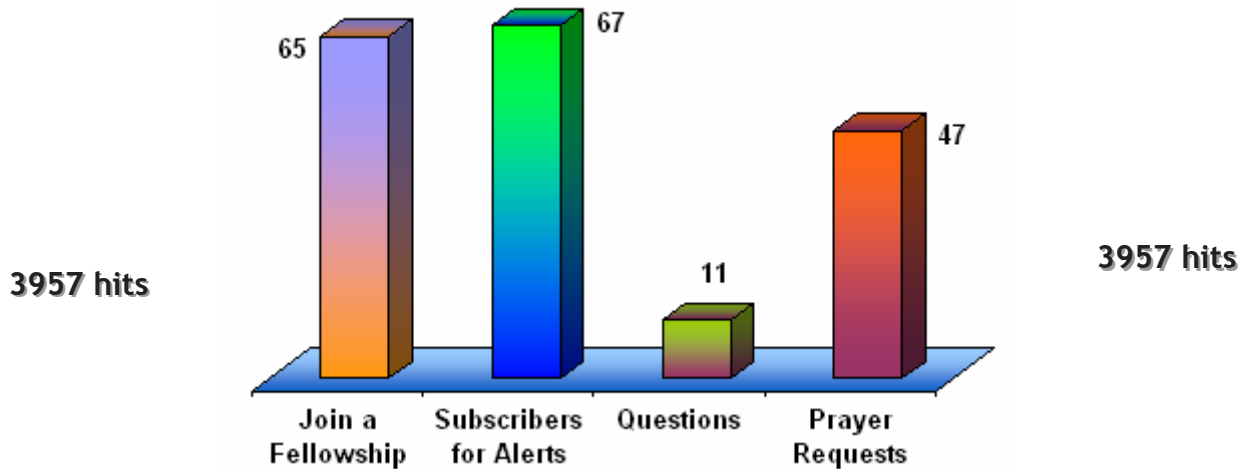

Pastor Christopher of IPA, Erode (who was my Pastor), a wonderful man of God, had been going through kidney transplantation for the last 3-4 years. The doctors have reported that the transplanted kidney will fail to function slowly in the process of time. He had been going through multiple complaints (sugar, pressure, dialysis, heart problem ...) and pain for quite a long time and God has sustained him so long for His glory. Please hold him in your prayers.

25 March 2007 update: Praise God, Pastor Christopher is recovering supernaturally after the Doctors stopped the medicines. Jesus can do what the medicines can't do!
