Make known His deeds among the peoples! Psalm 105:1

### Promise for CCF

The Lord of hosts has visited His flock; .... And He will make them a beautiful and majestic horse in the battle. (Zechariah 10:3b, AMP Version)

### Plan of God, concerning you!!! by Chacko Jacob

In Psalm 139:13 -18 God says "For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD". The same is repeated in Isaiah 55:8-9 where God says "For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts".

By the Grace of God we meditate on the difference between our thoughts and the thoughts of God. We quite often make ourselves the God of our lives. We make plans for ourselves as if we are God. The word of God says that the thoughts of man are futile.

We read in Proverbs 20:24 "Man's steps are ordained by the LORD", How then can man understand his way? In Jeremiah 10:23 we read "O LORD, I know that the way of man is not in himself: it is not in man that walketh to direct his steps"

These two passages categorically demonstrate the futilities of our thoughts .Our best plans are worthless. Instead we need to be sure that we are in the centre of Gods will and His plan for our lives.

God speaks to us through Isaiah 55:8, 9 "For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts." God is explicit in contrasting the shallowness of our thoughts Vs the completeness of His thoughts.

To give you an illustration of our ability to think and make plans for our lives is like a one year old infant planning and managing the finances of a multi million dollar business enterprises. The enterprise is doomed to fail, so it is with our life. Why don't you hand over the controls of your life into the hand of the Master Planner?

For He is the architect of the entire universe, His name is Jesus. His plans concerning you are perfect and He never makes a mistake.

The enemy "Satan" is keen to see that God's plan for you in this world never gets accomplished. So, pray without ceasing that God's plan for you will be revealed to you & gets accomplished through you.

Have a fantastic New Year 2008 realizing & accomplishing God's plan for your life.

## Corporate Fellowship in Atlanta, USA

One of the Corporate Fellowship active member moved to Atlanta by the plan of God because this city is neither had any client site nor the office location for him. God connected this brother to **Atlanta Indian Christian Fellowship (AICF)** in this big city, which is focusing for the fellowship of Indian community with the support of homeland churches. This resulted in AICF - CCF connectivity which is leading to yet another opportunity of praising God for the accomplishment of the promise given to CCF: "The Lord of Hosts musters an army for His Battle".
