### PRAISE REPORT

#### CCF Website User:

#### 18<sup>th</sup> December, 2006 Prayer Request:

My cousin sister is suffering from brain tumor. Doctors are telling so many things, but our loving Lord Jesus Christ is giving His words wonderfully and strengthening our faith in Him, so we trust Him. We believe that Jesus has already healed her completely, praise be to God. She is still in Hospital and already two operations have been done, during one month. Please pray that God should heal her completely and should save her as He did for Daniel and his friends; because more or less she is going through that kind of path only. She should come back home sooooooon with complete healing and strength given by Jesus Christ, because He is our healer. Her name is Chitra. I will surely write a testimony. Glory to JESUS.

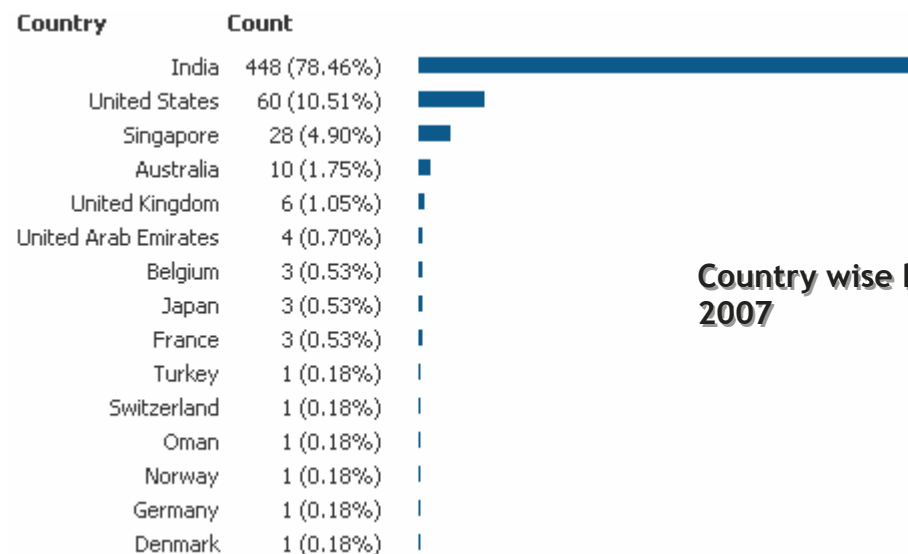

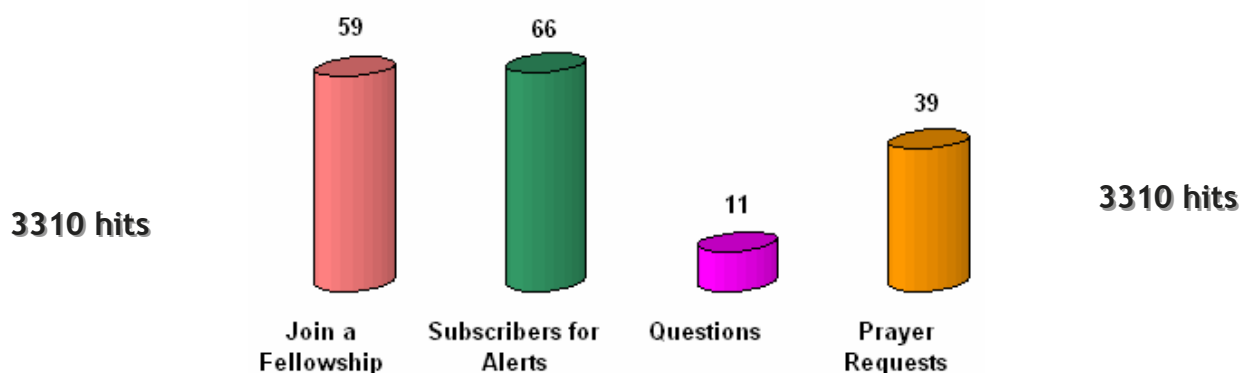

#### 10<sup>th</sup> January, 2007 Update:

Thanks for replying me immediately and thanks for your prayers. Please keep praying for Chitra, God is doing mighty things everyday. His grace only is holding her each and every minute; I really praise Jesus for that. I just want to share a miracle and the grace of God revealed last week. She is undergoing radiotherapy now, the treatment has started last Wednesday; Doctors had told that she will suffer from vomiting after 4 or 5 days. But the first day itself after the treatment she was continuously vomiting. She felt so sick, we all prayed. Our loving Jesus was so gracious that He reduced this vomiting so much now, compared to the first day. I really praise JESUS. Please pray that Jesus only should continue to protect her. She must take this treatment for 30 days. Jesus only should protect her from all the side effects and prove His power, because nothing is impossible to JESUS. Please keep praying, I will also keep updating you.

14<sup>th</sup> February, 2007 Update:

This email is to praise and glorify the wonderful name of our Lord and Savior JESUS CHRIST. Radiation therapy is over and Chitra is back at home. JESUS has brought her safely, Jesus protected her everyday and gave her strength and power to take that treatment, I praise Jesus for His loving kindness and mercy, I really praise Jesus for the miracles He did. Thanks for your prayers. Please continue to pray for her, she is not eating properly. Please pray that God should help her to eat well. We hold on to all the promises He has given to us. We praise Him because He is going to fulfill everything. JESUS is ALIVE. Hallelujah! Glory to Jesus alone.
