A Thought by v Chacko Jacob

GOD BASICS

I just thought that I should pen a message that goes down to the very roots of our Christian faith. If you are a believer of God then that belief is based on the foundation of 3 basic principles.

1. God is real

You have a faith that God exists. Your God is someone whom you know through your personal experience. You have undergone a situation in your life where you cried out to God for help. That cry for help took you to a definite result that gave you a tangible evidence of God's existence.

Many years ago – I got the proof of the reality of God when I made a simple prayer and said “Jesus – If you are the son of God, Change my life”. My life has changed permanently and continues to change till today. “Yes” – God is real.

2. He's personal

It is so easy to read stories of God's move in others lives. However, when that move happens in your life, it becomes a testimony. A testimony, that God is not only real but also a personal reality. He is the God that you talk to even for things like changing your job. He is your God & there is no medium required to connect you to God.

Sometimes when I pray, I ask God for many impossible things, and he does many impossible things for me. I asked God that my current company should get ISO 9001-2001 and though we were far behind in the documentation required, we still got recommended for ISO. “Yes”- He (Jesus) is my God. He takes care of me like father would take care of his child.

3. He wants to relate to us

God wants to relate to us & specifically to you. The way to relate to him is “prayer”. As against prayer being a petition session, it is supposed to be a communication session with God.

Sometimes miraculous things happen when I pray while preaching. I suddenly feel the prompting within me to specify a particular medical condition and say that God is healing that condition. Moreover, the healing actually happens. “Yes”- God wants to relate to us and uses every possible way to relate to us.

In all that you do in your personal, corporate “or” ministry, first **PRAY**. God wants to talk to you, lead you, and guide you into fulfilling his plan for your life. His plans for you are great. As the Bible says in *Jeremiah 1:5* “Before I formed you in the womb I knew you, and before you were born I consecrated you; I appointed you a prophet to the nations.”

Some of us believers have become like a cricket player who has lost form. Do what a cricket player would do to get back into form. Get connected to the basics again.

God Bless You
