WIRED – A report by Chacko Jacob

“WOW!!!!”, “Magnificent”, “Uplifting”, “Spirit Filled”, “The best concert I have ever attended”, “God was in motion at WIRED”, etc is just a sample of what people said about the WIRED Concert.

WIRED on October 06, 2007 at Image Auditorium was simply one of the biggest events ever attempted for Jesus. **“Praise God”**

And why did everything work so well?

The answer is Prayer. Systematic prayer, Dedicated Prayer, Regular Prayer & Spirit Filled Prayer. “Prayer” moved every mountain for us. Impossible things like filling up Image Auditorium with people, raising money like we have never done before, and etc all happened through the power of prayer.

The fact that every seat was prayed for before the Concert started ensured that even when the show was finished – No one moved from their seats. “Praise God”

Bro.Jabin opened the program with prayer, Bro.Chacko did the MC part, Bro.Rajiv did a good CCF presentation, Dr. Jayakumar Christian did the World Vision presentation & the main part of the Concert by Pas.Samuel Chadwick was fantastic, Pas.Theo was too good in his part of opening the Worship, and other touching parts of the Concert were the special dances done by the Children from the “Santhome School for the deaf & dumb” and a young brother performing a Tamil song which really rocked.

To conclude things Bro.Godson made a powerful concluding prayer.

Well – I don’t feel like saying anything more. I just need to say the end result of all the hard work by the CCF team was that, “The awesome Lord Jesus moved on Oct 6th during the WIRED Concert at the Image Auditorium”.

“Praise God”

PRAISE REPORT

It was one of the best programme I ever attended. All Glory and Praise to Our Lord and savior Lord Jesus Christ. From beginning to the end I felt the mighty presence of God. The programme was very good. I came with the burden for my company for the results in first half, I believe God will greater and mighty things in the coming months after the prayer.

This Generation that the WORLD cannot change will CHANGE the WORLD for the LORD and we should be excited to be part of this generation, heralding in a new awaking in Chennai!!
